Stakeholder consultation

Interreg post-2027

Stakeholder consultation

Needs for transnational cooperation

- In which topic do you see the biggest need and potential for transnational cooperation in the Baltic Sea Region?
 - What currently works well in transnational cooperation in this topic and should be either preserved or reinforced?
 - What currently does not work well in transnational cooperation in this topic and should be improved?

- Is there a need for some infrastructure projects to be implemented in transnational cooperation?

Challenges of transnational cooperation and novel paths forward

- ❑ What are the major obstacles to good transnational cooperation in the Baltic Sea region? How could these be removed?
 - Are there things that you would like to do under Interreg but cannot? Why?

- ❑ What could facilitate your work with your counterparts in another country?
 - What is the most important novelty that you would like to see in the Future Interreg? *Share your creative ideas!*

Stakeholder consultation

Your dream

- What would be the transnational cooperation **project of your dreams** in the Baltic Sea region?

Quo vadis, transnational operation?

Please help us find out,
with 7 minutes of your time.
